

minute and to revise and extend his remarks.)

Mr. BLUNT. Mr. Speaker, the conference on our energy bill passed in this House almost 1 year ago today is beginning soon. American consumers sent Iraq and Saddam Hussein more than \$1.4 billion for oil in the first 4 months of this year. This is a corrupt regime that pays the families of homicide bombers \$25,000 for their attack on innocent victims in Israel. We are at war, and depending on Saddam Hussein for the fuel that powers our war on terrorism is untenable.

Mr. Speaker, there is a direct link between energy policy and our national security. That is why more than 80 percent of Americans want us to pass a comprehensive energy plan that protects our national security while strengthening our economy.

In 1992, we imported 32 percent of our energy. Now, nearly 60 percent of our energy is imported. We need an energy policy. The conferees on the energy bill begin meeting tomorrow. I urge them to bring us legislation to increase our energy independence, create jobs, and strengthen our economy, Mr. Speaker.

SUPPORT THE MEDICARE PRESCRIPTION DRUG BENEFIT AND DISCOUNT ACT

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute.)

Mr. LANGEVIN. Mr. Speaker, Congress must add meaningful prescription drug coverage to Medicare. Prescription drugs can cost as much as \$500 per month; and in Rhode Island alone, 200,000 seniors lack drug coverage.

A study I commissioned last year found that the uninsured elderly in the district of Rhode Island pay an average of 78 percent more for the most commonly used prescription drugs than do seniors in foreign countries.

That is why I support the Medicare Prescription Drug Benefit and Discount Act which adds a new part D in Medicare that provides voluntary prescription drug coverage for all beneficiaries. It includes a premium of just \$25 a month, which would be subsidized for low-income seniors. It has a \$2,000 out-of-pocket limit per beneficiary per year.

In contrast, the Republican plan would require high out-of-pocket costs for seniors while offering low benefits.

We must ensure that seniors do not have to choose between food or rent and getting their prescriptions filled. We must provide meaningful drug coverage.

SUPPORT FISCALLY-RESPONSIBLE REPUBLICAN PRESCRIPTION DRUG PLAN

(Mr. FLETCHER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FLETCHER. Mr. Speaker, the Washington Democrats, once again are

misleading the American people on the debate over necessary prescription drug coverage for our seniors. To illustrate to my Democrat friends how our plan will help States, Kentucky has 615,000 Medicare beneficiaries and 50 percent of these citizens are below the 175 percent of poverty level. In Kentucky, a study estimates that State Medicare savings under the Republican-proposed prescription drug benefit would be \$549 million in the fiscal years 2005 through 2012.

In a time when seniors and State governments are experiencing financial difficulty, our plan provides seniors with an affordable prescription drug benefit to Medicare and immediate savings. States also benefit by saving millions of dollars in Medicaid beneficiary costs over the next several years.

Mr. Speaker, this plan is the only fiscally-responsible choice for both seniors and government and should be supported next week when it comes to a full vote in the U.S. House of Representatives.

The Democrat plan remains an \$800 billion boondoggle; and I encourage, as we continue this debate, full support of the Republican plan.

OMNIBUS CORPORATE RESPONSIBILITY AND RESTORATION ACT

(Ms. JACKSON-LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON-LEE of Texas. Mr. Speaker, when Enron hit, most of America thought that this was an exception, a company that had not done right, that deserved to be reprimanded, and that we would go forward. Sadly, there has been an announcement that there has been a rollover of the corporate elite violating the laws of this Nation and throwing America's investment community into a sense of doubt and shame.

It is time now to take a very forceful and firm stand against corporations that violate the law and hurt the American people, people who have lost their pensions, people who have lost everything, people who are unable to pay for their rent, their mortgages, their college tuitions of their children.

Mr. Speaker, I intend to offer the Omnibus Corporate Responsibility and Restoration Act. Once and for all, it is an omnibus bill that gets rid of insider trading, that provides us a firewall between accounting firms that consult and do accounting, that protects the pension plans of this Nation, and protects employees who can be taken advantage of by a company filing bankruptcy and then terminating thousands of employees.

Mr. Speaker, it is time to stand up against corporate criminal activity.

SUPPORT REPUBLICAN PRESCRIPTION DRUG PLAN

(Mr. SULLIVAN asked and was given permission to address the House for 1

minute and to revise and extend his remarks.)

Mr. SULLIVAN. Mr. Speaker, seniors in the first district of Oklahoma and across America cannot afford the rising cost of prescription drugs. In order to live within their budget, some skip a meal, some turn off their air-conditioning, and some consume half the prescriptions that they need.

Without a doubt, I believe the Republican prescription drug plan is the only plan that will give our seniors prescription drug coverage they need at a cost that the Nation's budget can afford.

The Republican prescription drug plan provides a two-tiered approach that allows seniors to start saving on their prescription drug bills immediately. By grouping seniors together, Medicare can negotiate discounts from manufacturers. This is projected to save seniors about 10 to 20 percent upon the signature of the President.

The second part of the plan will come as a comprehensive and voluntary Medicare-based prescription drug benefit. The Republican plan will significantly reduce the costs of prescriptions and save seniors approximately 70 percent of their out-of-pocket drug costs.

The House Republican prescription drug plan will work for seniors today, tomorrow, and for the rest of their lives. I urge my colleagues to support this bill.
